RETURN TO CIA  
LIBRARY

25X1 1. On 8 March, the Prinz Eugen Kaserne south of Emil Hartmannstrasse, Rudolstadt  
25X1 (M 51/J 54), was occupied by an estimated 300 soldiers wearing red-bordered black  
25X1 epaulets and a few, black-bordered crimson epaulets. About 120 soldiers were seen  
drilling in the barracks yard and about 65 soldiers who were not engaged in any  
special activity. There was an emplacement of 8 x 76-mm AA guns at the installation.  
Five low canvas-covered devices were in the emplacement. In the center of it was a type  
of command set. The upper structure of a range finder protruded above the pit.  
About 70 soldiers occupied the emplacement. A piece of iron was struck at 2 p.m.  
The barrels of five guns were elevated. [REDACTED]  
[REDACTED]

2. On 8 March, there were no indications of a permanent occupation of the Flak Kaserne  
north of Schaalaerstrasse. The sentry wore red-bordered black epaulets, but a  
soldier wearing black-bordered crimson epaulets was seen entering the installation.  
No training activity was observed.

25X1 3. Most of the Alte Kaserne was occupied by administrative personnel of the Lisnat  
25X1 Corporation. A unit of about 150 soldiers wearing black-bordered crimson epaulets  
was quartered in the eastern section of the main building. About 20 soldiers loaded  
barracks furniture on truck [REDACTED]

\*

25X1 [REDACTED] Comment. There are no changes in the occupation of the installations in  
25X1 Rudolstadt as compared with the last report by the same source in early February.  
25X1 [REDACTED]. In mid-January, the same source saw only four guns in the AA  
25X1 emplacement at the Prinz Eugen Kaserne. [REDACTED]
